SUMMARY

Strategic thinker who translates complex, ambiguous problems into clear and actionable solutions. Combines qualitative insight, data analysis, and AI-driven workflows to identify patterns, improve communication, and drive better decisions across systems. Known for bringing fresh, practical ideas that increase clarity, alignment, and measurable outcomes.

EXPERIENCE

High Point University | *Enrollment Strategist*

High Point, NC | Sep 2023 – Present

- Contributed to enrollment strategy during consecutive record growth years by surfacing student and market insights that informed decision-making and supported increases in freshman class size (+9.4%) and total enrollment growth.
- Analyzed CRM and market data to define key audience segments (e.g., high-achieving, high-income, value-sensitive, first-generation, regional cohorts); tailored messaging and outreach based on differing decision drivers across students and parents aligning experience-driven and outcome-driven value propositions.
- Identified recurring decision barriers (cost uncertainty, trust gaps, unclear value) through student and family interactions; informed adjustments to messaging that improved clarity and progression through the funnel.
- Acted as a leading AI practitioner within the team, developing high-impact use cases and training 25+ staff; led adoption of AI-driven workflows that scaled insight generation and improved speed, consistency, and quality of communication.
- Built and maintained relationships with high schools, counselors, and community partners expanding pipeline quality and contributing to broader geographic and demographic reach.
- Reinforced HPU's brand positioning as "The Premier Life Skills University" by translating student outcomes, future opportunities, and national rankings into clearer, more differentiated messaging.

Oak View Group | *Junior Strategist, Partner Services*

Los Angeles, CA | Oct 2021 – May 2023

- Supported partnership strategy and execution for NCAA and Pac-12 events contributing to \$1.9M+ in sponsorship revenue; worked cross-functionally with creative, production, and event teams to translate partner objectives into on-site experiences and deliverables under tight timelines.
- Identified and evaluated potential sponsors and integration opportunities; used social and media analysis to assess partner exposure and estimated value across events.

Overland Summers | *Expedition Trip Leader*

Maine, Alaska, Norway, Tanzania | Summers 2019, 2021–2023

- Led immersive, multi-week expedition programs for diverse student groups; managed safety, logistics, and group dynamics in high-ambiguity environments while building trust and cohesion quickly.

EDUCATION

High Point University | B.A. Advertising, Public Relations & Strategic Communication | Philosophy Minor | *May 2021*
